- Nett weight: .15 kg
- Gross weight: .3 kg
- Tare weight: .15 kg

Outer Carton
- Outer carton (L x W x H): 26 x 23.5 x 16.5 cm
- Nett weight: .45 kg
- Gross weight: 1.224 kg
- Tare weight: .774 kg

Product highlights

Phone line protection
These connectors accommodate an RJ11 cord, routing the telephone line through the surge protector to guard against spikes and surges.

40 dB EMI/RFI noise filtration
Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data. The higher the dB rating the better the noise reduction.

Protection indicator light
This LED alert lights up to indicate the surge protector is working properly.

Power blocker
This automatic shutdown technology senses when the device has reached capacity and automatically shuts down electricity to your equipment. It protects against subsequent surges, even if you are not present

£100.000 equipment warranty
Protects your connected equipment for the life of the product.
